

On your mobile search for “clickbook.net mobile”. You will find the Clickbook login page. Click the “Sign In” button (as there is a fault on the “New User Signup”) then click “I am a new user”.

Then it asks you to select your country, your time zone (GMT+10:00), and agree to their terms and conditions.

Next you have to fill out a short form, create a password and click “Submit”. On the next screen type in “beilbyhealth” to search for me. Select “**BEILBYHEALTH MANLY**”.

Searching for Companies

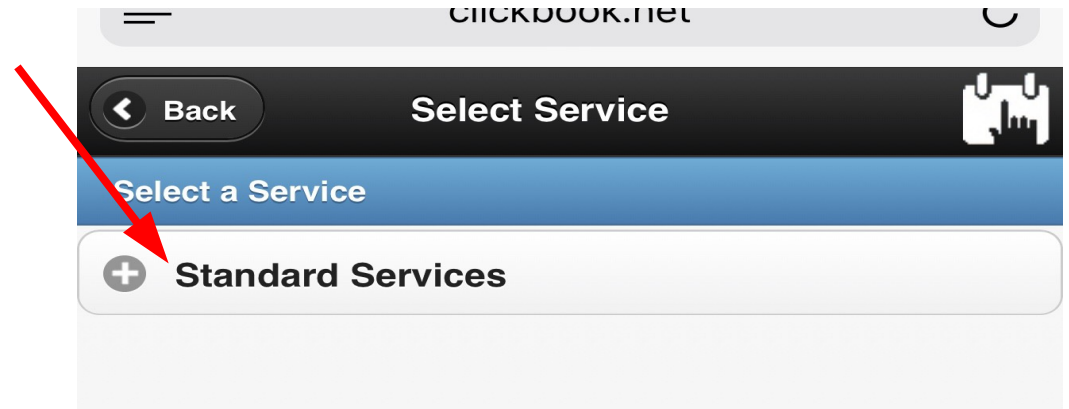

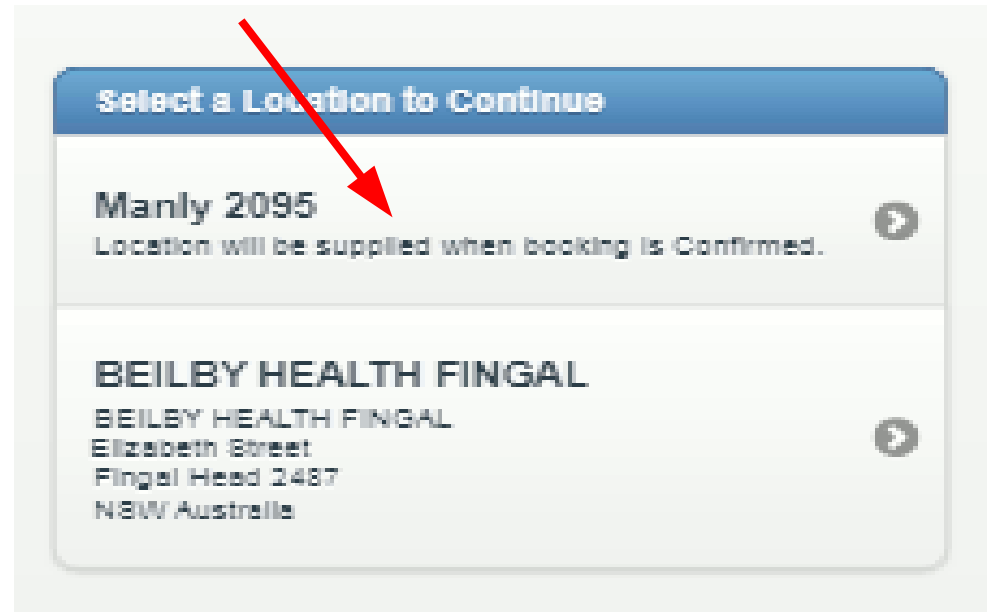

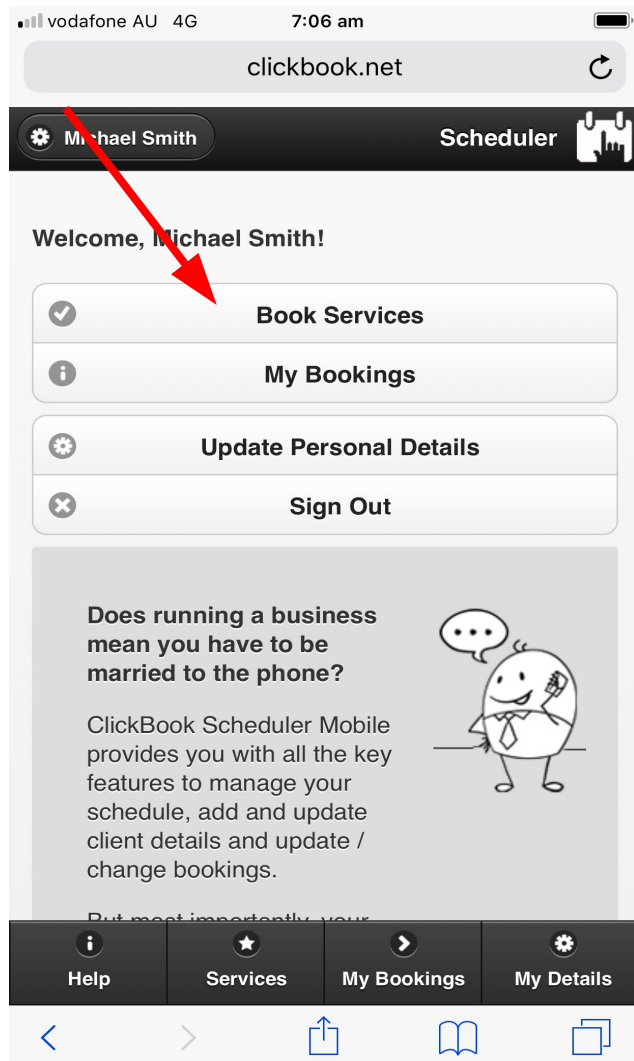

To search for a company that you know is registered on ClickBook.net, type a part of company name or the full name of a staff member. You can narrow the search by being more specific.

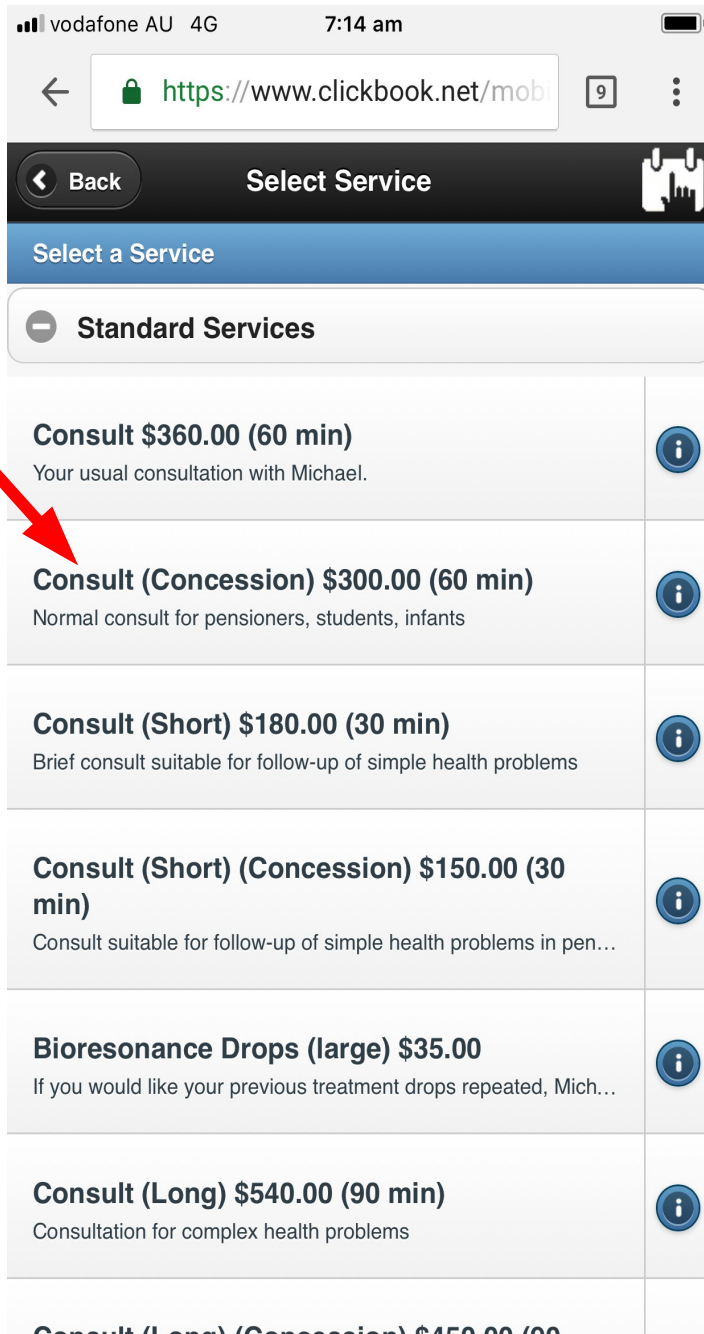

Searching for Services

Looking for services in your area? Try typing for the service and include your town or postcode in the search:

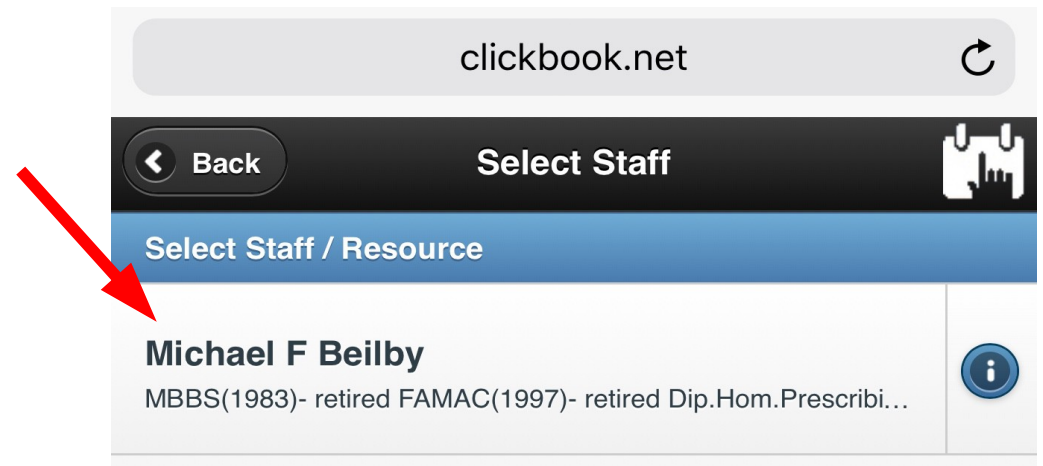

- "barber new york" will find barbers in New York
- "massage houston" will find massage therapists in Houston, Texas
- "werribee" will find any businesses in Werribee, Victoria, Australia that are

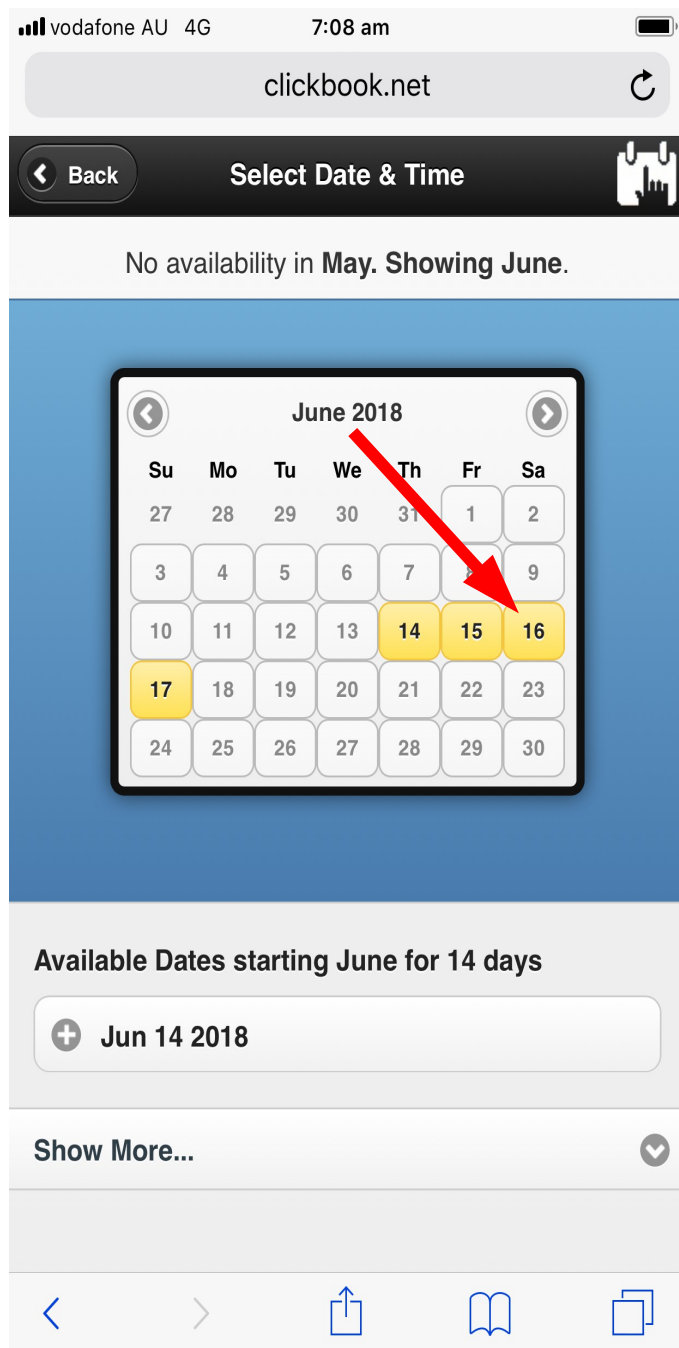

It opens your own home. Click “Book Services”, For Sydney, click “Manly 2095”, then open “Standard Services”.

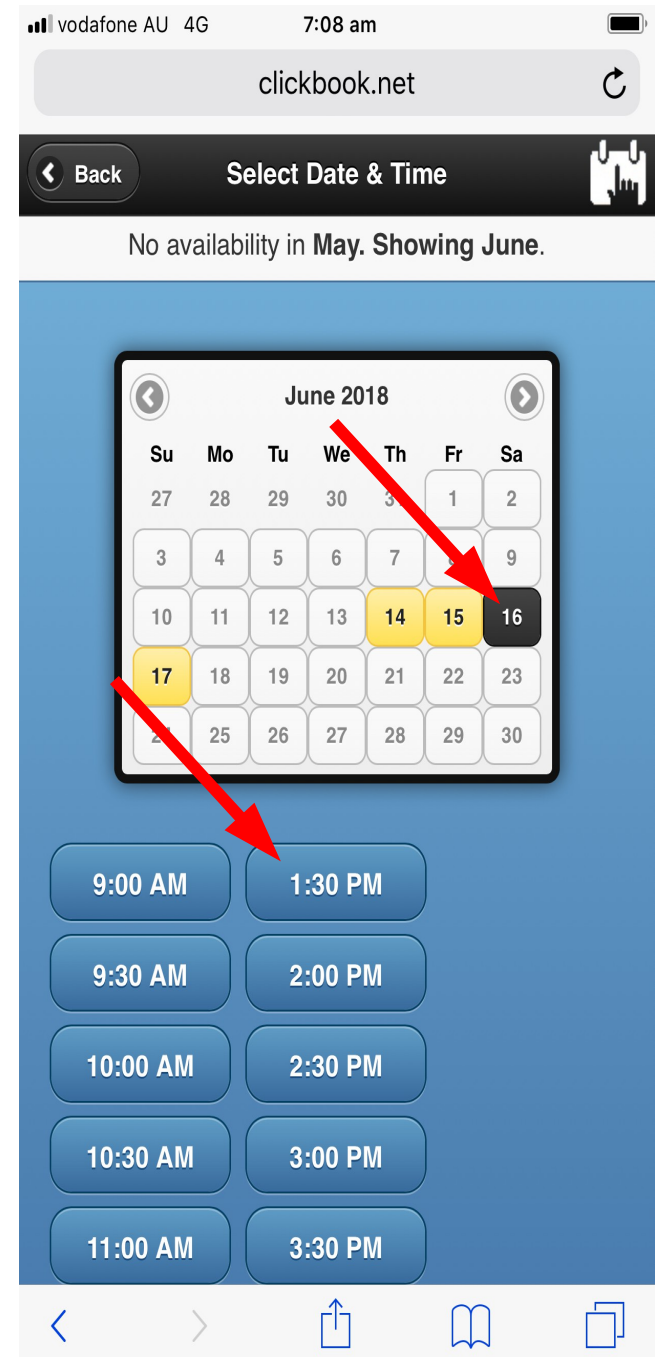

This person selects the 1 Hour Concession Consult as he is a student. Then select the practitioner (Michael F Beilby)

The new client chooses June 16th. The date is highlighted and the available times show below the calendar. He chooses 1.30pm.

New Booking

That's all done.

You will receive an email or SMS message within 48 hours confirming your booking and giving you address details if you do not already know them.

You can also book on their full page website if you prefer.

There is a PDF presentation available for this method if you would like to view it. However the site is not as easy to use as the mobile version.

Kind regards,
Michael F Beilby.
